MEMORANDUM FOR THE DIRECTOR OF CENTRAL INTELLIGENCE

SUBJECT: Situation in [ ]

1. I am submitting to you herewith, pursuant to your expression of interest, a copy of [ ]'s memorandum which summarizes the present situation in [ ] points out the problem and concludes with a number of recommendations. I think that you will be interested to observe that [ ]'s analysis of the [ ] problem is almost identical with that expressed to us by Mr. Harriman in our conversation with him.

2. We are continuing to follow up on this matter, giving it a very high priority in our work. We expect to have further conversations with [ ] and we hope to receive from him some more explicit recommendations with regard to our type of activities. I think we are fortunate in having available for our present purposes in this connection a man of such extensive knowledge and experience as [ ] and I am anxious to have him work for us upon certain of our projects to the fullest extent that this can be arranged. It may even be possible that he can ultimately be weaned away from his other duties entirely.
